

# HYDAC INTERNATIONAL

## Filter Element Technology Area

### Polymer melts 濾芯科技領域

#### Chemicon® filter elements Completely made of stainless steel

- Tailor made design
- Different sizes available
- Filtration from inside to outside
- Design temperature  
 $T_{max}: 380\text{ }^{\circ}\text{C}$
- High differential pressure stability

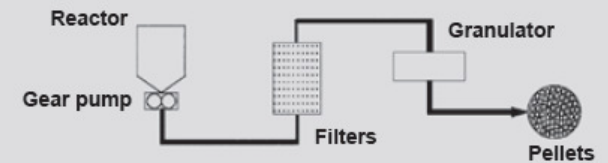

Polymer melts

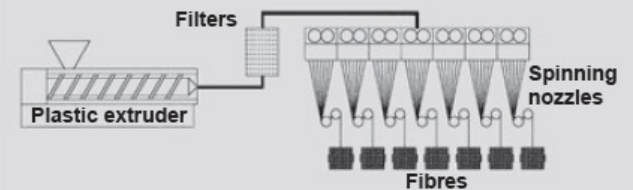

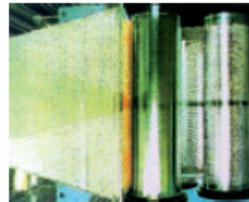

造粒、抽絲、薄膜

客製化高品質濾芯 Chemicon (metal fibre)

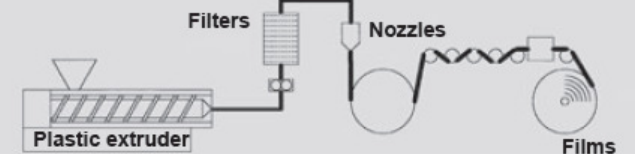

Pellets

Fibres

Films

Application diagrams showing manufacture of pellets, fibre or film
